Re: NIBCO® Press System® Price Increase

Effective May 2, 2011, NIBCO is announcing a price increase for Press System fittings and valves.

Press System Fittings:

NIBCO will implement a list price increase of 11% on most wrought copper and brass Press System fittings. Some select SKUs will reflect higher increases. Current base multipliers will remain unchanged.

Press System Valves:

NIBCO will implement a list price increase of 7% on most bronze and brass Press System valves. Current base multipliers will remain unchanged.

The new Press System list price sheet, PRESS-0511, will be available the week of April 18, 2011 via NIBCO's websites at www.nibco.com and www.nibcopartner.com where you will have the option of printing a copy of the price sheet in PDF format or downloading list prices in MS Excel.

If you have questions, please contact your NIBCO sales or customer service representative. Thank you for your continued support of NIBCO products.
