SUBJECT: Coupling/Gasket List Price Increase

Anaco will increase its list price on Anaco Ho-Hub Couplings and Service Weight Gaskets by 10% and Husky Couplings by 6% effective July 1, 2011. These changes are being made due to the continued increase in raw material prices.

New list price sheets will be mailed to you. We will have the new price posted on our web site shortly.

All orders placed prior to July 1, 2011 must be for **IMMEDIATE RELEASE**.

We appreciate your business and support.

Our very best Regards,

Anaco/Husky
