Re: Metal Valve Price Increase

Raw material prices continue to increase, therefore, NIBCO announces a metal valve list price increase effective June 1, 2011.

Brass and bronze products will increase 8% (divide current list by .92); Iron will increase 6% (divide current list by .94). Select items will be adjusted to reflect various higher or lower increases.

The following list price sheets will be affected;

- Pressure Rated Bronze, Iron and Ductile Iron
- Commercial Ball Valves
- Fire Protection Valves
- Circuit Balancing Valves
- Plumbing Specialty Products
- Irrigation Valves
- Lead Free Valves
- Strainers

The new list price sheets will be available the week of May 16, 2011 via the NIBCO websites at www.nibco.com and www.nibcopartner.com. You will have the option of printing a copy of the price sheet in PDF format or downloading list prices in Excel format.

If you should have questions please contact your local NIBCO sales representative or Customer Service. Thank you for your continued support of NIBCO products.
